Assessor Comments	Presenting A very good draft of feeder steers, these cattle have given terrific results off both grass and feedlot feeding programs in the past and would be an asset to any fattening enterprise. steers are by Outwest Angus bulls out of large frame Outwet Angus blood Black Baldy and Angus Cows. The Glenanaar cattle are some of the best in the Gulargambone district and are not to be missed!! please note; 5 with old pink eye scaring.
