Assessor Comments

Very good quality line of feeder steers, all black in the coat, showing great frame and weight for age. These cattle have been extensively worked with horses, which is displayed in their handling and temperament. Steers present in fresh forward condition and would ideally suit a Bullock Fattener or Feedlot Operation. All flatbacks, no hump with the Bos X steers in this

lot. N.B. 2 or 3 steers showing some white markings under the flank, 1 steer has slight white discolouration in the near eye. Steers weighed 362 - 454kgs at assessment. Note: 3 other lots off this property, in the same sale.
