Assessor Comments	Very good quality line of Charolais and Angus X feeder heifers, fresh in the coat, and predominately large in frame score. These cattle have been extensively worked with horses, which is displayed in their handling and temperament. Please note, there is one Angus X heifer with some brindle showing thru her coat, but she is one of the best heifers in the mob. Excellent line of principally crossbred heifers to finish on crop, to suit the supermarket trade. Please refer delivery comments, re B-Double access. Liveweight range at assessment 336 - 460kgs, to average 390kgs . N.B. 3 other lots being offered off this property, in the same sale.
