Assessor Comments	Outstanding line of 67 Angus Weaned steers. Steers are a Late July-Early Sept drop by Karoo and Yamba Angus Bulls and are showing good length of body, depth and thickness all the way through. Steers have been yard weaned and handled through the yards regularly. Proven performers year in year out will be perfect to carry onto feeder or kill weights. These steers are normally offered in the Feature CTLX Blue Ribbon Weaner sales and are keenly sought after.
