Assessor Comments	On offer is a good quality line of 18 Angus steers that were purchased ex Gundagai Weaner Sale in June. They were bred in the Adelong district by a reputable breeder who features in the sale each year. These steers have performed very well since then and are showing good bone and shape. Steers would be well suited to be put into a feedlot or likewise would continue to grow out nicely on grass in the right conditions. Cattle were weighed in a tight weight bracket and present very even. Vendor has done a top job with the temperament of these steers, they were a pleasure to handle while assessing.
