Assessor Comments: Excellent line of Angus feeder steers. These steers are bred from one of the better Angus herds in the Tumut area. The

	Shore steers are always we sort after by feedlots & bullock finishes. These steers have everything going for them with vendors selecting the top end bulls from Dunoon , Crawford & Bongongo studs focusing on 400/600 day growth, IMF & temperament which really shows in these cattle they were great to handle. Vendors have enter teams of steers in the Teys feedlot competition in the past and have performed really well with teams finishing in the top 10 out off 80 odd teams. Any questions please call, cattle come with the highest of recommendations.
