Assessor Comments	**Tops of the drop** Excellent line of Angus steers sired by Hazeldean & Trio Angus bulls focusing mainly on EMA, IMF, growth and constitution. The "Baringa" cow herd consists of medium to larger framed matrons which originate from Hazeldean bloodlines. The temperament in these steers is second to none, you will not find better. Yard weaned Saturday 11th January. Tail removed at assessment and offered in a very tight weight range of 200-292kg. Grass-fed and Antibiotic Free. An excellent run of steers worthy of that extra bid.
