Assessor Comments	Well bred steers bred out of large framed volume cows and presenting in fresh store condition with plenty of frame to pour the weight on given favourable feed conditions. EU Accredited if required, these boys should give ample compensatory weight gain for the successful purchaser and come with Never Ever Grassfed and/or PCAS accreditation. Noted performers over decades of quality breeding on Ardrossan and Injemira bloodlines, vendor is offering another lot of 28 Angus steers also in this sale. Note four red baldy steers in this lot.
