Well educated steers that were very easy to handle in yards & paddock. Handled with dogs & motorbike. A credit to the vendor for culling very hard on temperament over a number of years to have these cattle a pleasure to work with.

Assessor Comments	Phil & Gwen Lavis offer 109 one mark Angus Steers. These steers display frame & stretch, and present in true store condition. Great opportunity to purchase a very even line of weaned steers that have had a tough start with the seasonal conditions, but given the right opportunity will perform very well. June/July 24 drop. Every year these cattle improve with the vendor sourcing high quality Angus bulls, focusing on temperament. Tail draft has been removed.
