Cattle are very easy to handle and respond well to force. Very quiet cattle that are safe to handle. Cattle are well educated having been trucked multiple times between farms.

Handled With: Bikes , Dogs , On foot , Vehicles

Assessor Comments: A great line of Angus Heifers that have plenty of frame and depth to work with. Quality heifers that were bought back as Cow&Calf units as a trade, and have grown out nicely. Heifers have plenty of maturity about them and are extremely easy

	to handle. These Heifers are simply in need of a touch more feed before joining to the bull of your choice, or to continue to fatten into heavy weighted cattle. With the continued strengthening of the cattle market, these heifers make for an attractive item. Please note vendor also has steers in this sale.
