	Quiet: 5 head	Quiet: 5 head	Temperament not assessed in Paddock
Handled With	Regularly handled and very quiet. Bikes , On foot , Vehicles		

Assessor Comments	Offering Autumn drop weaners from a second generation breeding operation. These cattle are from a herd with a focus on temperament and growth rate. These cattle have always been offered at the Wangaratta blue ribbon sale and are always penned at the front. The cow herd are medium to large frame and the vendor carefully selects bulls to continue to produce a quality article.
