Assessor Comments	A good opportunity to buy a line of Crossbred Cows that are doing a great job on their Calves. These Cows are producing good milk and showing Calves that are good fresh and fresh Calves. These Cows have all been running back with the Sevenbardot Hereford Bull since 4/12/24 and will remain in with these Cows up until delivery. These Cows would suit anyone looking for a trade opportunity with these Cows given the season should have very good weaners to sell in the coming months.
