Assessor Comments	A very neat line of easy doing young Crossbred Cows with fresh Calves at foot. Cows are doing a wonderful job on the calves, with calves averaging 158.4kg at assessment. Calves are not marked with 9 Bull Calves and 11 Heifers. Cow have been continuously running back with Angus & Speckle Park Bulls. Cows have done an exceptional job raring some of the top vealers for weaner sales over the past years and under different circumstances, owner would be retaining these Cows knowing how they perform.
