	These cows have been properly educated in a large mob and are quiet to handle in the paddock and in the yards. A small portion of these cows how ever became slightly stirry whilst being mouthed.

Assessor Comments	On offer is a chance to secure a quality line of proven genuine mixed aged breeders. The vendors have made a conscious effort in their handling practices to ensure working with this mob is a pleasure. Sired by the Angus bull these calves have all been marked and vaccinated with the cows doing a fantastic job on them. This article would be a ideal opportunity for someone wanting to add or spearhead the start of a new breeding heard.
