Heifers were very good and easy to handle. Berrembed cattle are well known for excellent temperament as long as handled professionally and properly.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Buyers on offer is 330 of the complete 2023 drop of the Berrembed Station PTIC heifers. A once off opportunity to purchase extremely well renowned cattle that carry a very good reputation. Heifers are known for their ideal temperament, weight for age, fertility and mothering ability. They are usually retained and kept in the program however are being offered due to a trying season. These females are 100% Preg Tested in Calf to Low Birth Weight Dunoon bulls. Berrembed are Dunoon Angus blood and have been for around 7 years. Bulls purchased each year are selected on phenotype, soundness and also in the top 20% of the Angus Breeding Index with the heifer bulls also being selected for low birth weight. These heifers display outstanding weight for age averaging 510Kgs at assessment. Buyers please note that there is another 6 lots of 47 head in this sale and will be delivered as a run out the gate. Note also that heifers were weighed after a 24 hour curfew so only 2% curfew has been taken.
