Assessor Comments	2 solid Euro x cows with good body and frame, and in great condition. Good mothers who have never had any issues calving, that are doing a top job on their calves By Simmental Bull Mt Ararat Rival, in particluar the red heifer calf showing plenty of shape & packing a punch for a heifer, while grey calf is smooth & has plenty of frame. A great opportunity to purchase a 3in1 package with both of them PTIC - taking to their first cycle back to the same Simmental Bull. Only being sold due to dry conditions & lack of feed for the summer ahead.
