Assessor Comments	A feminine Cow doing an outstanding job of her soft & sappy Simmental Steer calf by Mt Ararat Rival, who is no doubt on his way to be a true vealer weighing in at 271kg full already at just 5 months old. Great opportunity to secure a 3in1 package of a fantastic, fertile vealer mother, who has always calved with ease, who is also back in calf to the same Simmental Bull, taking to her first cycle. Only being sold due to dry conditions & lack of feed for the summer ahead.
