Assessor Comments	A/c GT Hoffmann of Lucyvale offer 8x8 Angus Cows & Calves. These females are genuine 3rd calvers with their whole life ahead of them. They were purchased as young weaners and bred by Springbank at Gundowring and are Rennyalea Angus Blood. These females are doing an excellent job on their 6-10 week old calves at foot that are sired by a Jarabee Angus bull. The calves have been marked at assessment and given their first 5in1 vaccination. These quality outfits are surplus to requirements and have raised a calf every year. They would compliment any breeding operation.
