| Assessor Comments      | These cows are the heart of the Cundy breeding program which represents the 3rd, 4th calvers-Part of the Cundy brothers dispersal and come with the agent's highest recommendation. They are PTIC to Pinnacle and Stellar Angus bulls to calve Late Feb/March/April. They are large framed and heavy cows in top condition and have an outstanding shine in their coat with all animal health treatments up to date. Soft and feminine with great confirmation, these cows will not disappoint. |                |                                     |
