	One of the most calm mobs I have assessed. Heifers stood calmly for photos & moved though the assessment & crush process with no fuss, heifers have been extremely well handled and were a pleasure to review.

Assessor Comments	20 PTIC Autumn Calving Angus Heifers. Paul & Annie Chisholm have a renowned name for their stock's quiet nature and these Heifers are no exception. Heifers present in magnificent order and have been set for sale as Autumn calvers to commence from the 1st of Feb 2025 onwards for 10 weeks. These heifers have been well handled and cared for, posting no issues in the yards under assessment. The Chisholms have many repeat buyers both on their steers at local Leongatha Store markets and also via AuctionsPlus with their PTIC Heifers. Noted for their temperament and high performance, this mob will continue to grow on with plenty of upside. A classy line for purchase & would suit any buyer in the market for future quiet breeders.
