Assessor Comments	Poligolet Holdings offer a great opportunity to purchase immaculately presented heifers with superior genetics, ready to calve. These heifers are bred from a Te Mania blood herd and have been pregnancy tested in calf to quality Te Mania bulls. These heifers have been run under commercial conditions in what has been a terrible season for the district. The presentation of the Poligolet herd is a testament to their management and genetics. This lot is only for sale due to continued dry conditions, note vendor has an additional lot of cows in the sale.
