A very quiet line of Heifers to work through the yards and crush. There was only a couple of Heifers that got slightly agitated on the weigh platform but once off and with the mob they settled quickly.

Assessor Comments	Sam Wilson is offering a very good line of 34 Pathfinder Blood PTIC Heifers joined to the LBW Chiltern Park Bull to calve in the Autumn. These Heifers were specifically purchased out of the Hamilton Heifer Weaner Sale in January 2024 to offer now as PTIC Heifers. They have grown out exceptionally well and are in great condition for calving.They were Preg Tested by Brad Pickford and the majority of these Heifers will calve in the first 3 weeks. These Heifers would make a great addition to anyones Herd or be a great foundation for a new one. Again they are an extremely even line of Heifers that you can buy with confidence.
