	Steers were good to handle throughout the assessment process							
Handled With	Bikes , On foot							
Assessor Comments	Buyers only a small line of Angus steer yearlings averaging 380kg. These steers have been running on a small block and are electric fence trained. They have frame and length, and are of reasonable type. Going forward on the right feed, these steers should grow out into medium to heavyweight cattle suitable for some grassfed programs being NG/NA Note: Vendor has two other lines in this sale							
Assessor	Reg Woodiwiss (Level 1 Accredited)
