Assessor Comments	An attractive line of Speckle Park / Friesian heifers future breeder heifers that will continue to grow into a great line of breeders going forward , alternatively these heifers will grow onto heavy processing cattle , this property now being accredited for Never Ever (Greenhams dairy beef) These heifers were a pleasure to handle in all aspects and be an asset to add into any herd . A great opportunity to secure females at very realistic \$\$ per hd rates and put away. These heifers are the first draft offered off this particular property . These cattle are adding weight quickly & have been doing 1kg per day weight gain over the last 8 weeks . 1 heifer noticed to have old pink eye scarring in one eye that is not affecting her in any way.
