Assessor Comments	Buyers a nice line of Shorthorn steer weaners averaging 250kg. These cattle are very well bred and the vendor has been outsourcing top genetics the last few years! They have good frame and length, and are displaying good type and bone. Going forward, these steers will continue to grow out into well finished medium to heavyweight cattle suitable for all grassfed markets being Greenhams NE acc., JBS FA and NG/NA Note: Vendor has one other line in this sale
