Assessor Comments	96 VGQ Vendor Bred Speckle Cross Heifers. Majority Exhibit Good Bone, Length, Depth and Frame for their age considering the season. Ideal Heifers to retain as Future Breeders with no pick taken out of them. They are also well suited to grow out to Trade or Heavy Feeder weights or take through to Slaughter. They are Very Quiet, have Good Feet & come from a Highly Regarded Herd. Majority were weaned in September so have lost all associated bloom & will power ahead on good feed. The 2 x No.3 Heifers & 8 x older looking No.4's were mouthed with 9 x Solid Milk Teeth & 1 x breaking 2 Teeth (No.3 Heifer). There are 83 x Soft Crossbreds suitable for the Supermarket Trade & 13 x Flatbacks. There is 1 Heifer with Blue Eye Scarring in near side eye. Bernborough is Prickly Acacia Free, Heifers are PCAS Eligible & 100% were weighed & assessed. Vendor has another 2 mobs of Lighter Heifers in the same sale. *Please refer to delivery comments.*
