Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , On foot

Assessor Comments

Buyers, an opportunity to purchase a line of predominately Santa cross steers that have had all the hard work done to them and are ready to perform given the opportunity. Weight range at assessment of 262kg to 373kg they will have delivery weight of 312kg. These steers present with adequate bone and frame. The healthy condition of these steers represent a good opportunity and would be ideal steers to purchase to background out to trade/export feeder weights or to take through to fatten. Vendor will offer the cattle clear of all stages of cattle tick at their expense with the use of an endectocide.
