| Assessor Comments                     | A very good line of 127 Angus and Angus cross Backgrounder Steers that present in good store condition. They stand on good bone along with good confirmation & have all the right attributes to make these steers reach their full potential. These steers are very tidy around the head with the majority being polled. At assessment five steers noticed to have slight scaring in one eye, however there doesn't seem to be a problem with vision, also ten steers with small warts around the head and eyes. 10 steers with warts around the head. Steers have been enjoying a very good season as the grass has hayed off and is now starting to stick and adding weight gain. A good line of Angus and Angus cross steers that will not disappoint any buyer. Please see photos for breed satisfaction. Buyers note vendor has another two lots of steers in same sale. |                                             |                                     |
