Notable Traits	Traits 1 Head Short Tail
Assessor Comments	A nice line of Brangus cross steers that are born and bred on the coast. 100% weighed to average 358kgs at assessment, these steers have been on a light silage ration in the paddock. They are just on the move and would be ideal for the backgrounder or fattener to take them on to the next stage. ***Please note : Vendor has 63 Droughtmaster steers in the same sale.***
