Assessor Comments	Buyers look no further! Vendor bred quality young cattle, all the hard work done here! Weaned and ready for the paddock. No milk weight in these calves and heaps of frame. These steers will make ideal feeder steers and will grow fast as they are all F1's. A good pretreatment has been done on this lot. Guaranteed clean of ticks! and will be scratched and dipped at vendors expense for ease of movement for tick free buyers. *Note Vendor has multiple lots in this sale.
