| Assessor Comments | A nice line of 10 high quality Angus steers. Steers are bred from large frame Ben Nevis cows sired by top quality Pathfinder & Booroomooka Angus bulls. These calves show outstanding growth for age. Steers will certainly meet all high end Angus feedlot markets & should perform very well given the genetic base they are bred from. Steers have been weaned at assessment and will remain in the yards on Top Quality Oaten hay until Delivery.. |                |                                     |
