Assessor Comments	PTE Rennylea Angus blood heifers which weighed 422kg (360-485kg) full at assessment. They present in forward store condition and would be ideal to go onto feed or become excellent heavy grassfed kill heifers being Greenham Never Ever and Teys Grasslands accredited. Classed in heifers with a 5-10% tail removed prior to joining. Previous purchasers have always been very impressed with the performance of these Trewalla cattle - buy with confidence! Please note; vendor also has a total of 68 heifers & young cows being offered in today's sale in three lots providing the opportunity to put a B-Double together.
