	The cattle were easy to manage and handle in an excellent set of Proway designed cattle yards. In the race and on the scales there was 1 animal that did rush and move about slightly, once back with the mob the animal was calm.			
Handled With	Bikes , On foot , Vehicles			
Assessor Comments	A/C: R & D Weidner offer a small consignment of Speckle Park x Angus / Santa steers. By Speckle Park bulls out of Angus/Santa cows the steers would be ideal to grow out into bullocks. 11 steers in the draft are white, the remaining 13 are black.
