These heifers were a real pleasure to handle through the yards while being weighed, drafted and filmed. Temperament a credit to the vendor.

Assessor Comments

A nice line of quiet , Angus cross heifers . These heifers were extremely quiet to handle while being assessed. These heifers were on cows that were purchased in as cow / calf units. Heifers are PTE. These heifers would be a nice little add on to anyones breeding herd or will grow out to good kill cattle given the opportunity. a couple of heifers have the odd wart on neck and head. Vendor has - 166hd Angus heifers being sold as a run out the gate over two lots of 83hd in this sale also.
