Assessor Comments: A great opportunity to purchase quality Angus steers from the renowned Camoo-Tintagel herd. They have used Rennylea Angus blood for the past 20 years. These steers are well known for their performance and growth and are repeatedly

	sought after by all major feedlots in NSW. Provided with the right opportunity these well grown steers will excel for the successful purchaser. These steers are eligible for grass-fed programs as they are pasture reared and anti-biotic free.
