	Extremely placid young ladies! Very quiet to draft off from the brothers. Very quiet to handle through the yards, all led up the race without hesitation and all exited the crush at a walk. Just 2 that did some stomping on the scales, displaying some nervous behaviour. Wandered out into the cooler for photos and just relaxed in the sunshine. Heifers with an impeccable temperament that would be ideal to join & retain as some soft, quiet breeders.

Young, future breeders that tick every box, and carry all the desired attributes you look for when selecting keepers - conformation, genetics & temperament.
