	Exceptionally quiet heifers, a testament to the vendors cow herd temperament and bull selection. The heifers moved through the yards very well and generally were a pleasure to handle and assess. There was 1 heifer that did rush in the race slightly, and moved on the scales. When in the yards and paddock this heifer was very calm.

Assessor Comments	The Taylor family offer 16 very well bred Charolais heifers. Heifers are sired by Rangan Charolais bulls, with the cow herd being from Huon, Kenmere and Rangan bloodlines. The vendors cattle are noted performance cattle, the heifers would be a welcome addition to any grass backgrounder, grain fed program or breeding herd. Very quiet cattle, patient and respectful when being handled. Heifers are well weaned and ready to perform. Vendor has been breeding Charolais cattle for over 50 years using a closed herd of large frame cows that are ideal matrons. Please Note: The vendor is offering 2 more lots in this sale.
