| Assessor Comments | **EU** Presenting the annual steer weaner offering from long standing Angus breeder Mr J.B Howard from Grassmere, South West Vic. On offer is the complete drop of Feb/Mar 24' steers, which is a credit to the vendor to have such an even draft (only 1 steer left out due to lameness). Steers are sired by registered Claremont and Ballangeich Angus bulls, bred by cows with length and depth which are also from the same blood lines. Herd is a registered commercial angus breeder 'GKW'. Calves were weaned on the 18/12 using both yard and paddock. These steers will provide the purchaser to target either the feeder options or have the ability to finish/ heavier grass fed options. Vendor continues to produce quality calves year after year, which have been sought after by repeat buyers in the past. *Please note vendor has 86 Weaner Heifers in same sale. |
