Temperament

Yards	Crush	Paddock
Quiet: 14 head	Quiet: 14 head	Temperament not assessed in Paddock

Very quiet cattle to handle in the yards.

Handled With Dogs , Vehicles

Assessor Comments 14 Angus & Angus X steers, 19-20 months. They present in forward condition & show tremendous shape & muscle pattern. These steers would usually be grown out to heavy export bullocks & are only being offered due to the tight season. Sired

	by 'Yewell' Angus bulls out of large framed Angus & Hereford cows, they carry a sensational genetic profile. If shown the correct nutrition, they will not disappoint!
