Assessor Comments	Watervalley offering the top draft of heifers weighing 336.2kg LW curfew Ave. Pregnancy tested empty. Heifers have good medium frames in fresh forward store condition being 1 to 2 years old, predominantly milk teeth with approx 15 head 2 tooth. A small percentage show a dark brown tinge in their smooth coats This line of heifers would make a good line of trading cattle to place on good feed. The Watervalley cattle are known for their versatility and fertility, as well as their doing ability and will perform well for those buyers looking to add value to their purchases.
