Assessor Comments	29 Red angus heifers Pregnancy Tested Empty weighing an Ave of 282.7kg LW. The heifers are a present as good line in fresh store condition being 1 year old coming through a dry winter and spring. They have come from numerous properties, depot at the one property and now going forward. 4 heifers showing crossbred characteristics with all other heifers being angus types. This line of heifers are an ideal backgrounder line of heifers offering a medium frame. The Watervally cattle are well known for their doing ability and will perform well for those buyers with feed and wish to add value to their purchases.
