	Quiet: 7 head	Quiet: 7 head	Temperament not assessed in Paddock

Both the cows and calves were very good to handle through the crush and in the yards. They are very quiet and border on docile. Their temperament is a feature and they would suit any buyer less confident in handling cattle.

Handled With Bikes , On foot , Vehicles

Assessor Comments A mostly good to very good quality line of vendor bred Belmont Red and Belmont Red x cows with calves at foot. The cows are mostly young with 3 x 3 years old, 2 x 5 years old, 1 x 6 years old and 1 x 8 years old. They are cows that are medium to mostly large frame. They have very good quality calves at foot which are by either an Angus/Belmont Red or Speckle Park bull. There is 6 heifer and 1 male calf with a range of 95 kg to 193 kg. The cows and calves are very quiet and were excellent to handle in the yards and through the crush. They would suit any buyer a little less confident in handling cattle. They are ideal to take and join to a bull of your choice for a short 6 - 9 week joining with the calves only a few months away from good weaning weights.
