Assessor Comments	To be offered are 9x9 Jersey Heifers and calves. Hefiers are 22-23months of age and average 293kg curfew weight, they have also been running back with speckle park bull. Calves at foot are 1-3 months of age and average 85kg. Heifers are doing a great job on calves and they are in sappy condition. This a great opportunity to secure some young breeders that do a good job on calves.
