	Cows and calves were a pleasure to assess and flowed through yards well displaying the yard weaning program at Sherwood. Odd cow was excited in crush but settled back into mob quickly.

Assessor Comments	A neat run of Angus and Angus/Hereford cows and calves out of the Sherwood Past Co herd. Only being sold due to being surplus to requirements and due to being out of sync with balance of the herd. Cows are principally Boco blood which is based on Rennylea and Hazeldean Angus. Cows present in strong forward condition and display the good doing ability that Sherwood cattle are known for. Cows were all mouthed and found to be solid sound mouth except one well worn cow. Cows are 4-8 years. Please note: 3 Claves in this lot are red angus or red baldy. Vendor also has 28 Angus heifers in todays Weaner & Yearling sale on Auctionsplus.
