Assessor Comments: A great line of steers that are Vendor Bred by Clunie Range Angus bulls ($20/$32k bulls). These steers are small in number but have the quality, style, frame and genetics to really power ahead. The have done .6kg since weaning and are a very

	even line of steers from 170 to 318kg to Av. 238kg (one steer over 300kg.) The temperament and quality of these steers are exceptional and a credit to the vendor in how they handle., as you can see the children working them in the yards within the video. ** Steers are running south of the tick line in CLEAN COUNTRY** Immediate delivery possible**. TopX Longreach is offering three lines of vendor-bred Angus-cross steers in this sale.
