Assessor Comments	256 Pure Te Mania Blood heifers to be sold as deck lots (32 Head) ROTG. These are a very classy line of quality young heifers. Boasting 40 years of select Te Mania genetics this year! These females present an opportunity for a buyer wanting to bring some top quality genetics in to their breeding program, ready to join for an Autumn calving. Pretty, soft faced heifers with extra length and a real maternal style about them. In healthy condition, and on a rising plane of nutrition with some just needing to clean up in the coat a bit more. Renowned performing females with good fertility & strong maternal traits. These are heifers with the confirmation, reputation & genetic esteem to be a very good investment. Actively sought after by repeat buyers for breeding intentions given the strong maternal characteristics listed above.
