Temperament

Yards	Crush	Paddock
Slightly Stirry: 15 head	Slightly Stirry: 14 head Stirry: 1 head	Temperament not assessed in Paddock

See video for temperament assessment. These cattle where easy for cattle man to handle draft and assess but would not recommend these for hobby farmers or people that are new to cattle handling

Handled With: Dogs , Horses

Assessor Comments: Yearling Steers that are long in the body with plenty of shine in the coat. These steers have long heads and great bone structure that tells me they will grow into bullocks with ease. Coming from a closed herd of over 20 years, with bloodlines incldiuing Alpine Angus, Connamara & Booroomooka bloodlines running through them.
