	See video for temperament assessment. These cattle where easy for cattle man to handle draft and assess but would not recommend these for hobby farmers or people that are new to cattle handling		
Handled With	Dogs , Horses		

Assessor Comments	Yearling Steers that are long in the body with plenty of shine in the coat. These steers have long heads and great bone structure that tells me they will grow into bullocks with ease. Coming from a closed herd of over 20 years, with bloodlines inclduing Alpine Angus, Connamara & Booroomooka bloodlines running through them.
