Assessor Comments	85 EU Angus Steer's a/c Maneroo Farm's. Weighed 420-518kg, to be 440.8kg at delivery. Opportunity to purchase an elite line of Steer's. Over year's of performance and carcass feedback from the feedlot sector and grass finisher's, the Maneroo genetics are at the cutting edge of our industry. Mid/long fed or out onto grass these Steer's will stand out in any programme. Please note the exceptional temperament, video was taken with the Steer's walking out of the yard's into a laneway. The Maneroo Steer's come with my highest recommendation, ready to perform.
