Assessor Comments	Buyers on offer is a line of 79x79 crossbred cows and calves presenting in forward to forward store condition. These cows have plenty of frame and weight and would be heavy cows when fat. Young calves at foot with a majority being soft black and creamy calves looking to go forward. These units would suit a future breeding job to keep breeding good weaners to take out to feeder weights or to do a split job with. Buyers please note this vendor has another lot in this sale.
